Price Paid _____

Spay/Neuter Before: _____

Spay/Neuter Agreement

Permanent ownership of this dog is contingent upon your compliance with this Addendum. Proof of the spay/neuter must be received by THE BREEDER within fourteen (14) days after the surgery. In the event that the dog's health does not allow this agreement to be honored, DREIER'S FIRE POODLES must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this dog the (purchaser) will contact the veterinarian and establish the earliest date that the procedure can be performed. (PURCHASER) will notify the BREEDER of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced. This is the responsibility of the PURCHASER, not the veterinarian, to ensure that DREIER'S FIRE POODLES has received verification that the surgery has been performed. A copy of the medical record as well as the receipt is necessary verification along with the veterinarian's phone number to follow up about procedure. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the Contract, and PURCHASER will transport this dog back to DREIER'S FIRE POODLES and will not be entitled to a refund. In the case of the puppy's demise on or before the above listed date, a written statement from your veterinarian must be

sent to DREIER'S FIRE POODLES, stating that the puppy has indeed passed away, and the cause of death. This is an unfortunate step but necessary. PURCHASER will also be fined \$1,000, the difference between pet price and breeding price. In a perfect world, we would like to have each puppy we place to stay in their original purchasing home. Things do happen, and should you need to transfer ownership before spay/neuter has been performed, you agree to contact DREIER'S FIRE POODLES, in writing, phone or email and let us know BEFORE the puppy has been placed into a new home. We require a right of first return or reclamation, that the puppy be returned to us if you cannot keep him or her. You are not free to give the puppy away to another family member or anyone without receiving permission from us first. If you decide to go ahead and give the puppy to someone without contacting DREIER'S FIRE POODLES, this contract is still your responsibility to enforce in the puppy's new home. Should we not receive conformation of the puppy's spaying or neutering by the above listed age, as the original purchaser, you will then be liable for the dog's full purchase breeding value, which is \$1,000 more than the pet price. By my signature below, I agree to have this dog spayed/neutered by the age of ONE YEAR (12 MONTHS) and I understand that this spay/neuter agreement is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. I also agree that should puppy not be SPAYED/NUETERED that I will return said puppy back to the seller/breeder with no refund.
